If you're new to paracord, don't worry! We've got you covered. In this blog post, we'll show you 15 amazing paracord projects that are perfect for beginners. With our step-by-step instructions, you'll be able to create these projects in no time.

### 1. Paracord Bracelet

The paracord bracelet is a classic project that's perfect for beginners. It's simple to make and only requires a few basic knots. You can customize

your bracelet by choosing different colors of paracord and adding beads or other embellishments.

### Materials:

- 550 paracord
- Scissors

- Lighter (optional)

### **Instructions:**

1. Cut a piece of paracord that is about twice the length of your wrist. 2. Fold the paracord in half and tie a simple overhand knot at the top. 3. Separate the two strands of paracord and tie a series of square knots down the length of the bracelet. 4. When you reach the end of the bracelet, tie a simple overhand knot to secure it. 5. Trim any excess paracord and melt the ends with a lighter to prevent fraying.

## **2. Paracord Keychain**

A paracord keychain is a great way to keep your keys organized and within reach. It's also a fun and easy project to make. You can customize your keychain by choosing different colors of paracord and adding beads or other embellishments.

**Materials:**

- 550 paracord
- Key ring
- Scissors
- Lighter (optional)

## **Instructions:**

1. Cut a piece of paracord that is about 6 inches long.
2. Fold the paracord in half and tie a simple overhand knot at the top.
3. Separate the two strands of paracord and tie a series of square knots down the length of the keychain.
4. When you reach the end of the keychain, tie a simple overhand knot to secure it.
5. Attach the key ring to the top of the keychain.
6. Trim any excess paracord and melt the ends with a lighter to prevent fraying.

## **3. Paracord Lanyard**

A paracord lanyard is a great way to keep your ID badge, keys, or other small items close at hand. It's also a fun and easy project to make. You can customize your lanyard by choosing different colors of paracord and adding beads or other embellishments.

### **Materials:**

- 550 paracord
- Swivel snap hook
- Scissors
- Lighter (optional)

## Instructions:

1. Cut a piece of paracord that is about 3 feet long. 2. Fold the paracord in half and tie a simple overhand knot at the top. 3. Separate the two strands of paracord and tie a series of square knots down the
