**Prepare your little ones for the Autumn term with CGP's KS1 Maths Practice Books for Year 1 and Year 2!**

Packed with 128 pages of engaging practice questions, these books will help your child develop their mathematical skills and confidence. Each book covers all the key topics from the National Curriculum, including

number, measurement, geometry, and statistics. Plus, there are plenty of fun activities and puzzles to keep your child entertained while they learn.

The Year 1 book is perfect for children who are just starting their KS1 maths journey. It covers all the basics, from counting and number recognition to simple addition and subtraction. The Year 2 book is ideal for children who have a little more experience with maths. It covers more challenging topics, such as multiplication and division, fractions, and decimals.

Both books are written by experienced teachers and are designed to be easy to use for both children and parents. They are full of clear explanations, step-by-step instructions, and plenty of practice questions. So whether your child is just starting out on their maths adventure or they are looking to brush up on their skills, our Autumn Term CGP KS1 Maths Practice Books are the perfect choice.

Get your child ready for success in the Autumn term with CGP!
