Jagged Little Pill is the third studio album by Canadian singer-songwriter Alanis Morissette, released on June 13, 1995. The album is widely regarded as a masterpiece for its raw and honest exploration of personal experiences, such as anger, vulnerability, and betrayal. Jagged Little Pill has sold over 33 million copies worldwide, making it one of the best-selling albums of all time.

Critical Acclaim

Jagged Little Pill was met with widespread critical acclaim upon its release. The album was praised for its honest and unflinching lyrics, as well as Morissette's passionate vocal delivery. Many critics hailed the album as a groundbreaking work that pushed the boundaries of what was considered acceptable in mainstream music. In a review for Rolling Stone, David Browne wrote, "Jagged Little Pill is a remarkable achievement, a bold and brilliant album that's sure to be one of the year's best." The album was also nominated for nine Grammy Awards, including Album of the Year and

Record of the Year, and won Best Rock Album and Best Female Rock Vocal Performance.

Commercial Success

In addition to its critical acclaim, Jagged Little Pill was also a massive commercial success. The album debuted at number one on the Billboard 200 chart and remained there for 12 weeks. It also topped the charts in

several other countries, including Canada, the United Kingdom, and Australia. The album's lead single, "Ironic," became a global hit, reaching number one in several countries. Jagged Little Pill has sold over 33 million copies worldwide, making it one of the best-selling albums of all time.

Impact on the Music Industry

Jagged Little Pill had a significant impact on the music industry. The album helped to popularize female singer-songwriters and paved the way for other artists to explore personal and confessional themes in their music. The album's success also led to a shift in the mainstream music landscape, as it showed that albums with substance and depth could still be commercially successful. Jagged Little Pill is widely considered to be one of the most important albums of the 1990s and remains a beloved classic to this day.
