2. Start in the center of the bottom row and single crochet around the entire piece, working into the holes around the edge. When you reach the end of the row, turn and single crochet back across the row. Repeat this process until you have reached the top of the piece.

3. To make the shamrock, start in the center of the third row and single crochet 10 stitches into the next 10 holes. Turn and single crochet back across the row, decreasing 1 stitch at each end. Repeat this process until you have reached the top of the shamrock.

4. To make the stem, single crochet 6 stitches into the next 6 holes at the bottom of the shamrock. Turn and single crochet back across the row, decreasing 1 stitch at each end. Repeat this process until you have reached the desired length of the stem.

5. To finish, weave in any loose ends and attach the tissue box cover to the tissue box.

## Tips

- You can use any color of yarn you like for this project.
- You can also use a different type of plastic canvas, such as 5-count or 9-count.
- If you are new to plastic canvas, there are many tutorials available online.
