Scott Turow is a master of the legal thriller, and his latest novel, *Three Miles Out: One and Two*, is no exception. This sprawling, suspenseful novel explores the complexities of justice, loyalty, and redemption.

The story begins with the shocking murder of a young woman, Patty Favreau. Patty was a waitress at a local diner, and she was well-liked by everyone who knew her. Her death sends shockwaves through the small town of Kindle County, and the police are determined to find her killer.

The investigation is led by Detective Sergeant Ray Carriveau, a hard-boiled cop with a troubled past. Carriveau is assisted by Detective Sergeant Christine Gennarelli, a bright and ambitious young detective. Carriveau and Gennarelli quickly identify a suspect: Bobby Kelleher, a troubled young man with a history of violence.

Kelleher is arrested and charged with Patty's murder, but he insists that he is innocent. He claims that he was at home with his girlfriend at the time of the murder. Carriveau and Gennarelli are skeptical of Kelleher's alibi, but they have no other suspects.

As the trial date approaches, Carriveau and Gennarelli continue to investigate the case. They discover that Patty was involved in a secret relationship with a married man, and that she was blackmailing him. This new information casts doubt on Kelleher's guilt, and it raises the possibility that Patty's killer is still at large.

Carriveau and Gennarelli must race against time to find the truth before it's too late. They must also confront their own demons, and come to terms with the choices they have made in their lives.
